Rob Davies is concerned about the Finger Post. He is willing to paint it but unfortunately it requires more serious attention. Jane Claybrook has bought paint & brushes for the bus stop. Please let clerk have receipt for payment. It does however appear that the bus stop roof requires more serious repair, as the timber & felt are rotten.

The Chair suggested that we should endeavour to have more councillors present at the next meeting. Clerk to organise.

Cllr Bates (WCBC) said it was important that The Centenary Hall made their application for the grant available & the form is not complicated.
